

EVOLUTION INDUSTRIES 316 STAINLESS STEEL EXHAUST CLAMPS

Evolution Industries 316 Stainless Steel Exhaust Flange Kit.

* Cut From Solid Billet 316 Stainless Steel

* Show Polished

* Made in The U.S.A.

* Available In 3 Options of ARP Hardware: Polished 12 Points, Polished Hex Flange Nuts, or Black Oxide Flange Nuts.

EV:2835-0077 316 Polished Stainless Steel Exhaust Clamps With Polished ARP 12 point Hardware.

EV:2835-0078 316 Polished Stainless Steel Exhaust Clamps With Polished ARP Hex Flange Nut Hardware.

EV:2835-0079 316 Polished Stainless Steel Exhaust Clamps With Black Oxide ARP Hex Flange Nut Hardware

* Note: Due To Various Exhaust Manufacturers & Exhaust Styles and Bends The 12 Point Hardware Might Interfere With Socket Drive Due To Tight Exhaust Bends Around The Flange.
